The Complete, Authoritative Guide to Getting Started in Tax Consulting Tax consulting and return preparation is a fast-paced, dynamic industry-one that promises high earning potential. In this book, tax advisor Gary Carter shows you just what it takes to become an in-demand tax consultant. You'll discover how to break into the tax business, even with relatively limited education and training, and build a path to your new career with Carter's five-step formula for success. Brimming with expert advice from tax professionals and featuring up-to-the-minute coverage of everything from qualifications and employment opportunities to Internet resources, Getting Started in Tax Consulting shows you how to: * Assess your personality fit for the tax profession * Formulate your business plan for starting a tax practice * Find a niche for your tax services * Choose between a sole proprietorship, a partnership, a C corporation, an S corporation, and a limited liability company * Set your fees and market your services * Perform research-an essential skill of the tax professional * Make the IRS your partner and advisor-not your adversary * Start a Web-based tax service

Noted tax expert and award-winning finance author Eva Rosenberg presents one of the first - if not the first - guides to Trump's newly enacted tax plan, providing individual tax payers with a roadmap to making the most out of this historic tax reform. Part One will provide plain English overview of what's new and how it will affect individual taxpayers as well as the larger goals of tax reform. Part Two will feature nearly 300 tax tips that will provide specific instructions on how to take advantage of the new tax law.

This book is a genuine resource, packed with proven methods, and valuable interviews with real bookkeepers and accounting professionals. These ideas and techniques show you how to quickly build a flourishing full-time or part-time home-based bookkeeping or tax practice, and keep it running profitably. Some of the topics covered in this volume: How to get started and obtain all necessary business licenses How to manage your cash flow for maximum profitability and business success How to get clients and keep them How to attract the most profitable clients How to increase referrals How to set and collect your fees How to offer tax services to your existing clients How to get referrals from CPA offices and other financial professionals Information on how to become a Certified Bookkeeper through the AIPB How to comply with the IRS recordkeeping requirements How to avoid your liability for the dreaded IRS Trust Recovery Penalty And much, much more!

Note: This study guide is for the EA exam cycle that runs from May 1, 2017, to February 28, 2018. This is the official workbook for the PassKey EA Review study guides. Learn how to become an Enrolled Agent with PassKey's comprehensive EA Review study program, newly-revised and thoroughly updated for the current tax year.

How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on the Watson CPA Group website. The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer's Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer's Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That's in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

Award-Winner in the "Business: Personal Finance/Investing" category of the 2016 International Book Awards KEEP MORE OF YOUR HARD-EARNED MONEY AT TAX TIME The tax code may be bloated, but that doesn't mean your check to the IRS has to be. Let Deduct Everything! be your ultimate guide to lowering your annual tax bill. This comprehensive guide to legal deductions, credits and loopholes covers: • Rules of thumb for record-keeping and how to stay organized • Secrets to mortgage, tax and insurance deductions • Maximizing work-related expenses • Making the most of medical expense and health savings accounts • Strategies for utilizing deductions and credits for education • Bonus: Lots of tips on how to make more money-some of it tax-free

Note: This study guide is for the EA exam cycle that runs from May 1, 2017, to February 28, 2018. This is an in-depth study guide for Part 3 of the IRS Enrolled Agent exam. Learn how to become an Enrolled Agent with PassKey's comprehensive EA Review study program, newly-revised and thoroughly updated for the current tax year.
