In Neil Simony's story "The Governess" social class affected the Mistress by making her have to show confidence when she really wasn't. Another way that social class affected her was by making her be strict Tijuana when she didn't want to. Even though she wanted to help Julia she felt that she couldn't because of her social class.

reader can find many quotes where the governess is described by others or – mostly – by herself. The narrator at the beginning of the novel describes how many of the vacationers “draw the inference” that Douglas was in love with the much older governess, a situation very similar to the governess’s relationship with Miles ...
