The name of the game holds the clue: The problem suit in this game is hearts. For each heart you have at the end of each hand, you get one point.

However, the Queen of Spades has a big — and nasty! — role in the game, too. Whoever wins that card in a trick picks up a 13-point penalty.

Hearts Rules. These are the rules I use for Hearts. There are many variations possible, but I use the basic ones from Wikipedia. The objective of Hearts is to get as few points as possible. Each heart gives one penalty point. There is also one special card, the Queen of spades, which gives 13 penalty points.
