John Zink Hamworthy Combustion

John Zink Hamworthy Combustion is affiliated with Koch Industries, one of the largest privately held companies in the U.S. Zolo Technologies delivers unique laser-based combustion monitoring and diagnostic solutions that simultaneously measure key combustion constituents in real-time and in ultra-harsh combustion environments.

About | John Zink Hamworthy Combustion

As emissions standards for NO_x, CO and other pollutants continue to become increasingly stringent, it's more important than ever to partner with experts who have a full range of capabilities in both combustion and post-combustion cleanup technologies.

Products & Applications | John Zink Hamworthy Combustion

The John Zink Hamworthy Combustion TruLight Technology system provides High Energy ignition and flame rod type flame detection in a single compact solution. This unique integration of functions delivers reliable performance and simplifies installation and maintenance.
