Rebuilding the walls of Jerusalem was important because it revealed God ' s blessing, served as a sign to Israel ' s enemies, and showed God was with His people. The walls provided protection and dignity to a people who had suffered the judgment of God but had later been restored and returned to the Promised Land.

Although it has been three and a half years since the last post on our blog, I recently came across an interesting take on ruins. The Monumental Impulse (MIT Press, 1999) by George Hersey explores how architecture sometimes mimics natural phenomena. Hersey explores various creatures that build, structures that look like cells or DNA, and of course
