# File Type PDF The Practice Of Programming

Professional Computing  
aspect of programming  
practice. Chapter 1  
discusses programming style.  
Good style is so important  
to good programming that we  
have chosen to cover it  
first. Well-written programs  
are better than badly-

# File Type PDF The Practice Of Programming

written ones—they have fewer errors and are easier to debug and to modify— so it is important to think about style from the beginning.

*The Practice of Programming*

The book describes itself as
