Index - The Presentation Lab: Learn the Formula Behind ...

The Presentation Lab makes very clear upfront that readers will not learn how to create more visually appealing or better designed slides. And while this is one of the more illustrated business books I ' ve read in a while, it just isn ' t about the visual side of effective presentations, but rather what needs to go into a presentation ' s intent, structure and story creation.

Learner Workshops - The Learner Lab

The easier path is the one where you learn how presentation skills work and develop a style that includes your idiosyncrasies and quirks. This means you don't have to learn to behave differently when you present. Let me give you an example of what I mean. Most presenters are concerned about their body language when presenting.
