Meet Jenny. She's rich, spoiled, rude and obnoxious. She's also just been signed up for the BDSM ride of her life--without her consent. An intensive training course at the Albrecht Stables is not what it appears to be and training to become a human pony was not on Jenny's to-do list. The trouble is, how do you escape when you're tied up, gagged and constantly sexually aroused?

There's more than one way to stop a bully Wil never misses a chance to pick on best friends Jasmine, May, and Corey about playing with their toy horses. Not only do the girls love their real ponies, they love to play with their toy ones, too. May decides it's time to teach Wil a lesson. But even though Jasmine's feelings are hurt, she wants May to leave Wil alone. When she begins helping Corey train her pony, Samurai, for the scavenger hunt at Pine Hollow Stables, she realizes there might be a better way to stop a bully.

Will Mark Matthews accept Redcliff's terms for his daughter's release, surrendering both body and mind to the enemy? Petal's sanity depends upon the fact, for in the sixth and final book of the Pony Tales she is to discover that the fate in store for her at Albrecht is not a pretty one. Shipped off to Leyland Forbes in a steel cage, the pony-girl will have to endure all sorts of imaginative bondage and BDSM at his palatial manor, as her body is photographed intimately by several of the world's top photographers. As the day progresses she will find herself taken out to dinner in chains, before being cleverly and expertly divested of her virginity. Trouble awaits when she returns to the stables, however. One of the trainers has taken a monstrous dislike to her and intends to prove his superiority, both in the dungeon and beyond. Escape for Jenny is beginning to seem like an impossible dream...

Jasmine is great at riding ponies, but she's about to learn that jumping can be especially challenging. Jasmine and her friends the Pony Tails are crazy about animals—especially ponies. This year, Jasmine and her pony Outlaw are taking their first jumping lesson at Pine Hollow Stables, and she couldn't be more excited. All she can think about is jumping! But during the lesson, Jasmine falls off Outlaw going over the very first jump. She is disappointed, embarrassed, and scared. Will Jasmine and Outlaw ever learn to jump like pros?

The viciously attractive Mark, with the unfaltering smile, has a day of endurance planned for Jenny that the devil himself would find challenging. His artful temperature play has her screaming, his anal dilators have her howling and a ride in the sybian's saddle leaves her virtually unconscious, but the day is far from over. A group of ladies, with wandering fingers, are given the task of transforming Jenny into a sweet, submissive pony girl who will be left looking 'hot to trot' in no time at all. After an exhausting day of training, Jenny has only escape or rescue on her mind. Alas, escape is rather difficult when you're naked, dressed in thigh high pony boots and have your hands immobilised in leather mittens which are clipped behind your back. Besides, escape isn't all that important - not when you're desperate for your next orgasm, it isn't.

Although she thinks her pony is perfect, Molly follows her mother's suggestion and enrolls naughty Norton in riding school.

I made a bet with my newlywed submissive wife. I told her that if she could behave herself impeccably for a week, she could wear the trousers for a day. That included being able to dominate me. The bet was almost guaranteed to be impossible to achieve, and yet somehow she did it. It looks like I'm in for a fun night, doesn't it? If that wasn't bad enough, Kyle has been spotted near our home. It scares me. I can feel the net closing in, and I'm still no closer to unravelling the pieces. We need to figure out what Redcliff wants, and fast. In order to do this, I'm going to have to talk to my mother-in-law, who still isn't speaking to me. I have no idea what her problem is. She tried to kill me, not the other way around...

A young girl, whose dreams come true when her favourite riding school pony is bought for her, immediately becomes jealous of another girl and her 'better' pony.

In Book Two of Pony Tales, Jenny finds herself in the capable hands of Mark, her guide and tormentor for the day. She becomes accomplished in the art of crawling, gets an eye-opening tour of the facility and suffers regularly with the pain of orgasm denial. Finding herself at the mercy of his fingertips, when he demonstrates the complexities of breath play, she panics that each gasp of air may be her last. Displayed, touched, fondled and at the mercy of others, Jenny begins to discover what life as a pony girl might entail, especially when faced with the wicked tongues of several pony boys! Getting acquainted with the rather aptly named Red Room and finding herself subject to a thorough spanking is her first discovery into the delicious world of pain and pleasure that awaits her. But there are far more devilish torments than spanking to be found at the Albrecht stables...

Molly loves her pony Norton, even though he is chubby, unkempt, and only interested in eating, but when Molly tries to take him riding, Norton has other ideas.
