Phat Trax: The Best of Old School, Vol. 3 pays tribute to the disco and funk sounds that inspired hip-hop. Rolling, voluptuous basslines, uptight guitars, and vibrant brass sections drive tracks like George Clinton 's "Atomic Dog," Slave 's "Watching You," and Con Funk Shun 's "Chase Me," bridging the gap between funk and disco and providing countless rap and hip-hop artists ample material for sampling.

The Magic School Bus, Vol. 3. Ride with Ms. Frizzle, teacher extraordinaire, and her enthusiastic, inquisitive students as their Magic School Bus takes them on cliff-hanging field trips into the human body, inside an ant colony, and far out into space.

First, there were eight, and now there are six. With Mitsuru and Shimizu now missing, everyone is on edge as they try to find a way out of their horrifying circumstances. The remaining students continue to suspect that the person keeping them trapped is among them, but Shimizu also suggested a bizarre, new theory: they may be inside the mind of the person who took their own life at the school festival. Takano thinks he might just know who their tormentor is, but many unanswered questions still remain. Can he get to the bottom of this mystery before his time's up?

Have you ever wanted to go to magic school? To cast spells and brew potions and fly on broomsticks and - perhaps - battle threats both common and supernatural? Come with us into worlds of magic, where students become magicians and teachers do everything in their power to ensure the kids survive long enough to graduate. Welcome to ... Fantastic Schools. Follow the daughter of a witch who wants to learn white-not black-magic, a trio of students sent on a mysterious task, a kidnapped student trying to escape, a troll who wants to study among the humans, and a magic-less boy with a chance to learn magic, if he survives his first month at a magical university. Follow us into worlds different, magical And very human. Includes stories by: Christopher Nuttall Roger D. Strahan Denton Salle Karina Fabian Frank B. Luke George Phillies Aaron Van Treeck Becky R. Jones Jay Barnson Emily Sorensen Peter Rhodan Rhys Hughs J.F. Posthumus Barb Caffey

Tento once again finds himself in a tight spot when he's accused of trying to murder the school's Madonna, Reiko Shiratori, and locking her unconscious body in a shed. Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Violin School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki violin teacher to develop their potential as a musician and as a person. This Suzuki Book & CD is integral for Suzuki violin lessons. This revised edition of the Suzuki Violin School, Volume 3 (Asian Edition) features: * Revised editing of pieces, including bowings and fingerings * Additional exercises, some from Shinichi Suzuki, plus additional insight and suggestions for teachers * Text in English, French, Spanish, and German * Musical notation guide * Fingerboard position. From two star creators Naoshi Arakawa (Your Lie in April) and award winning writer Mizuki Tsujimura (Anime Supremacy!) comes a psychological horror story filled with twists, turns, and hard truths about the lives of high school students and the pressures they face in modern society. On a snowy school day like any other, classmates and childhood friends Hiroshi and Mizuki arrive at school to find the campus eerily empty. Before long, they find themselves trapped inside with six other friends, and even stranger, all the clocks have stopped at a very specific moment--the exact time when a former classmate jumped off the school roof to their death three months earlier. It turns out that this departed friend is their way out of their current predicament and may even be among their group...but no one can remember who it was that took their life on that sad day. The students must face themselves and their past memories to piece together the identity of this suicide victim or risk a similar fate--with their lives lost and forgotten inside these frigid school walls.
