The spaces in-between. It ' s comforting to have a snappy answer or the certainty of knowing not only how it is, but how it happened and precisely what happens next. But sometimes we don ' t know. And in those moments, we are left with our first principles. To focus on possibility, on the change we seek to make, on showing up as an even better version of the person we hope to be.

Every kind of definition has an in-between space. Especially if the definitions are two opposites, then the in-between space is more rich. – Sou Fujimoto. It is a very Japanese trait to distil complex ideas into a simple statement or metaphor. What is left unsaid is often more meaningful than the simple concept itself.

The space in between birth and death is life. The space in between knowing and believing is something. I like the word mezzanine but I am not sure if it fits since by definition it relates to architecture. Interspace, on the other hand, sounds like something related to science fiction. Period is about time.

These spaces in between buildings offer the greatest opportunity to reimagine how we live and move in our cities. As cities are now reopening and planning to make temporary and long-term changes providing the opportunity to create, test and provide solutions for how we live in our communities, towns and cities.

REIMAGINING THE SPACES IN BETWEEN - Student Ideas Competition

The Space Between is a riotous, side-splittingly funny tribute to the insanity of our twenties and the lessons we learn in the most unexpected of places. Above all, it is a tribute to joy, friendship and the brilliance of women – those we know, those we admire and those we are capable of finding within ourselves.

The Space between opposites, between darkness & light, lies the hallowed middle ground. That is where we play . We have two beautiful contemporary studio spaces called . HERE & NOW that play host to all things in motion & stillness. HERE, basks in natural light with a pared back simplicity, NOW, a darker contemplative space.
