The End of Atrocity: A Manifesto - Big Think

In The Think Big Manifesto, Michael Port calls you, and the world, to action by offering a simple solution to a serious syndrome. Think big, commit to quantum change, envision your future, climb your mountains, and incite the revolution our society needs-if it is to survive. But it takes a personal revolution to stop accepting what is and start energetically creating what is possible. You can ...

The Big Think is a learning programme that empowers children to create meaningful relationships with themselves, others and the world around them. Our Why. About The Big Think. It takes a village to raise a child. We view education as a system of closely connected parts that need to constantly interact together. To this end, we embrace all staff, children, parents and the wider community into ...

The Think Big Manifesto Think You Cant Change Your Life ...

And I think that this book, The Think Big <whatever>, is pretty bad. The name itself is misleading as the book is a shamble, a ramble and rant, all packaged up as if it actually makes some sense. Probably the worst part, IMO, is the first thirty-something largely self-indulgent and incoherent pages where he just goes on and on about injustices in the world and the pending revolution that we ...
