Detained in a Cornish village, can Sir Baldwin and Simon discover who is behind a series of devastating attacks? Sir Baldwin de Furnhill and Bailiff Simon Puttock's seventeenth mystery, *The Toll of Death*, is a compelling tale of evil and darkness, from much-loved medieval adventure writer, Michael Jecks. Perfect for fans of Bernard Cornwell and Ellis Peters. 'If you care for a well-researched visit to medieval England, don't pass this series' - Historical Novels Review Summer 1323: in the Cornish village of Cardinham, a penniless young woman is found hanged alongside the dead bodies of her

children. Passing through the village on the final leg of their long journey home, friends Sir Baldwin de Furnhill and Bailiff Simon Puttock are detained and tasked with leading the investigation. Simon and Baldwin quickly discover the young woman's death is not an isolated incident. And as the escape of a traitor threatens to embroil the country in a new civil war, they must look beyond friendships and family loyalties to find an evil killer - and secure the safety of Cardinham, and all who dwell there. What readers are saying about The Tolls of Death: '[A] gripping story of murder and suspense' 'Thoroughly recommend this for anyone who is interested in medieval times - the background, as always, is authentic and the fictional characters so believable' 'Five stars'

On the fabled world of Krynn, Lord Soth finally learns that there is a price to pay for his long history of evil deeds, a price even an undead warrior might find horrifying. Dark powers transport Soth to Barovia, and there the death knight must face the dread minions of Count Strahn Von Zarovich, the vampire lord of the nightmare land. But with only a captive Vistani woman and an untrustworthy ghost for allies, Lord Soth soon discovers that he may have to join forces with the powerful vampire if he is ever to escape the realm of terror. Knight of the Black Rose is the second in an open-ended series of Gothic horror tales dealing with the masters and monsters of the Ravenloft dark fantasy setting.

Occasionally, a tale comes along that has been lost in the mists of time. Often the story starts out as just another mundane event in daily life until something else comes out from behind the shadows. And when it does, nobody can escape the fire storm that follows, especially when the masked one demands so much of our attention. Because in the end, the consequences of his actions eventually consume all of those in its path. William McBride was such a person in the early 14th century, when he came in contact with the Logan brothers of Lanark, who were also known to the locals as the Gemini Knights. These brothers were Templar Knights of the Scottish Order and they carried out a number dangerous exploits in their time. And as William McBride found out in later life, the times he spent with the brothers would eventually place him on a path that could have a profound impact on the City of Jerusalem at the end time. To some, this story may appear to be just another old wives tale, worthy of a good read and then placed on the book shelve to gather dust from now on. However, to others the story of the Gemini Knights has more than just a ring of truth to it in some kind of old fashioned way. Enough, to engage the mind in more than a simple observation of the material that William McBride collected over his life time. So, if you have an inquisitive mind and want to gain a glimpse into the future, the only question you have to ask yourself is. 'Do I have the courage to read the book and judge for myself?'

Meng Fan had traveled to another world and brought along the League of Legends' system. He discovered that he had become a hard worker. Carrying the mission of saving the Walland Continent, Meng Fan continued to raise his strength, breaking all the schemes of the various temples, and destroying all magical creatures. This was an extremely exciting heroic adventure, as well as an extremely exciting battle. All sorts of top-tier equipment were dropped to the point of being dazzling. A legendary set of equipment could instantly kill gods. This was the world of the League of Heroes, as well as a mysterious world of magic ...

The battle of Bannockburn, fought on the fields south of Stirling at midsummer 1314, is the best known event in the history of Medieval Scotland. It was a unique event. The clash of two armies, each led by a king, followed a clear challenge to a battle to determine the status of Scotland and its survival as a separate realm. As a key point in the Anglo-Scottish wars of the fourteenth century, the battle has been extensively discussed, but Bannockburn was also a pivotal event in the history of the British Isles. This book analyses the road to Bannockburn, the campaign of 1314 and the aftermath of the fight. It demonstrates that in both its context and legacy the battle had a central significance in the shaping of nations and identities in the late Medieval British Isles.

After the Mage War devastates much of what is beautiful in the world, a young half elf finds himself on the road to Catlorian without any idea of how he arrived there, where he was going, or even who he is. Unbeknownst to him, he is about to face enemies who are bent on his death. Sir Solothon Calendera, accompanied by Huntmaster Arantar Adenedhel and a spoiled young elf, is on a mission to Catlorian to find the one responsible for the deaths of friends and the source of the anger with which he has been cursed. Iaprene' Anolin is a Mage and cleric who is on a quest to find objects for an ancient foe. She is joined by another cleric, Melisande Dorn, whose rage is kept in check by her own caring nature. As the unlikely group of strangers comes together, they must defend each other and shed their demons to bond against a writhing evil and his minions. But can they unmask the Dark Master intent on destroying the world of Ta'el? Catlorian I: The Savon'el follows a young amnesiac and his new friends as he searches for his past while battling against an unknown enemy.

While the city of Darujhistan becomes increasingly subject to assassins, tyrants, and the oppressive summer weather, Anomander Raks, Son of Darkness, plots a deadly revenge from the distant city of Black Coral. By the author of Midnight Tides. Simultaneous. 30,000 first printing.
