Benjamin Franklin "The Way to Wealth" (1758) Benjamin Franklin. "The Way to Wealth" (1758) 1. Courteous Reader, I have heard that nothing gives an author so great pleasure, as to find his works respectfully quoted by other learned authors. This pleasure I have seldom enjoyed; for tho' I have been, if I may say it without vanity, an eminent author of almanacs annually now a full quarter of a century, my brother authors in the same way, for what reason I know not, have ever been very ...

*The Way to Wealth - Wikipedia*

"In short, the way to wealth, if you desire it, is as plain as the way to market. It depends chiefly on two words: industry and frugality. Waste neither time nor money, but make the best use of both. He that gets all he can honestly, and saves all he can, will certainly become rich."

Summary: "The Way to Wealth". The essay begins as Poor Richard addresses his audience, "Courteous Reader," and admits that few "other learned authors" have quoted him, despite his being "an eminent author of almanacs annually now a full quarter of a century" (1). Poor Richard does take solace in the fact that "[his] writings produce [him] some solid pudding" (1) thanks to the people who buy his work, whom he describes as "the best judges of [his] merit" (2).
