Since she rose to international fame in 1985 with her seminal Irish jazz album Tired and Emotional, Mary Coughlan's battles with addiction, the problems in her personal life and career have been well documented. But until now she has never spoken of the traumatic events in her childhood that led to a life of rebellion, running away, and reliance on drugs and alcohol. In this funny, moving and typically outspoken memoir, Ireland's best-loved jazz singer pulls no punches in getting to the heart of what made Mary so contrary. Detailing her battles with the bottle, her suicide attempts and her confinement in psychiatric hospitals, Mary tells of how, after hitting rock-bottom, she pulled herself out of the dregs of a vodka bottle to confront the foundations of her problems head-on. As she tells her story - with a ribald, running commentary on the highs and lows of celebrity culture - we get to experience an alternative evolution of Ireland in the '70s and '80s, populated with hippies, rock stars and movie moguls, and one wild Irish girl determined to live a life less ordinary.

A suburban Chicago family comes undone in this "fresh and riveting" novel of domestic disquiet by an award-winning author (Booklist, starred review). Taking its title from the childhood game of conjuring dread, Pushcart Prize-winner Sharon Solwitz delivers a harrowing, razor-sharp satire of navigating the sexual, emotional, and spiritual calamities of modern life. Claire Winger lives in an upscale neighborhood with her successful surgeon husband and two socially adept teenage daughters, Nora and twelve-year-old Hadley. Then one day, a small seizure causes Claire to tumble from a painter's ladder, leading her to disconcerting visions and odd behavior. It begins with Claire inexplicably drawn into a reckless affair. Then one-by-one she alienates her friends. As the seizures mount, the normally over-protective mother soon isolates herself from Hadley who is in the process of destroying her own life, purposefully and efficiently. Alternating between Claire and Hadley's perspective, and tracing the effects of fear and desire on a settled, complacent life, "Solwitz dramatizes with incandescent intensity and profound insight the great mysteries of body and soul" (Booklist).
