Michael Bamberger took the plunge. He dropped out of the workaday world and into the world of golf. He gave up his apartment, took leave of his job and, with his newly-wed wife, embarked on a unique golfing adventure: from the United States by way of the European golf tour, breeding ground for the game's most exciting players. To The Linksland is a sports book, a travel book and the story of a man's quest for self-improvement.

The first-ever biography of the iconic and beloved golf coach who caddied for Francis Ouimet, played with Ben Hogan, competed against Bobby Jones, shaped Ben Crenshaw, and distilled his golf wisdom into the Little Red Book, granting simplicity to a vexing yet beloved sport Millions of people were charmed by the homespun golf advice dispensed in Harvey Penick's Little Red Book, a sports classic that went on to become the best-selling sports book of all time. Yet, beyond the Texas golf courses where Penick happily toiled for the better part of eight decades, few people knew the self-made golf pro who coaxed the best

out of countless greats – Tom Kite, Ben Crenshaw, Betsy Rawls, Mickey Wright – all champions who considered Penick their coach and lifelong friend. In *Harvey Penick*, Kevin Robbins tells the story of this legendary steward of the game. From his first job as a caddie at age eight to his ascendance to head golf pro at the esteemed Austin Country Club to his playing days when he competed with Bobby Jones and Walter Hagen to his mentorship of some of golf's finest players, Penick studied every nuance of the game. Along the way, he scribbled his observations and anecdotes, tips and tricks, and genuine love of the sport in his little red book, which ultimately became a gift to golfers everywhere. Part elegy to golf's greatest teacher, part inquiry into his simple, impactful teachings, part history of golf over the past century, *Harvey Penick* is an exquisitely written sports biography.

A behind-the-scenes look at the groundbreaking filmmaker M. Night Shyamalan In his relatively young career, M. Night Shyamalan has achieved phenomenal commercial and critical success. His films *The Sixth Sense*, *Unbreakable*, *Signs*, and *The Village* have grossed over \$1.5 billion and reinvented the thriller genre. Because Shyamalan has worked outside of the Hollywood system, however, his filmmaking habits and personality have remained largely unknown. But reporter Michael Bamberger obtained unprecedented access to Shyamalan during the tumultuous production of his film *Lady in the Water*, and in *The Man Who Heard Voices* exposes the struggles and triumphs of this modern-day Hitchcock at work. From revising the screenplay to shooting on location and evaluating the crucial initial test screening, *The Man Who Heard Voices* tracks all stages in the life of Shyamalan's film. Bamberger delves into Shyamalan's relationship with the actors and the studio (he moved from Disney to Warner Bros. for this film) while also profiling various players on set. The result is a fascinating insider portrait of creative genius—and the real-life story behind a Hollywood thriller.

"Harvey Penick was a rare gentleman whose legacy deserves this book. Kevin Robbins has revealed through extensive and caring research the aspects of Penick's life that made him the endearing man he was. *Harvey Penick: The Life and Wisdom of the Man Who Wrote the Book on Golf* opens wide a window into the soul of someone whose story transcends the game."—Ben Crenshaw, two-time Masters Tournament champion "Harvey Penick led an exceptional golfing life, and Kevin Robbins has written an exceptional account of it. His book is transporting. I have a whole new understanding of Penick, his writings, and how Ben Crenshaw, Tom Kite, Betsy Rawls, and all the others under his tutelage became the people they became. What a life, captured here beautifully." —Michael Bamberger, author of *Men in Green* and *To the Linksland* "Finally, the book that explains how Harvey Penick's humble, humane life led to an incomparable treasure trove of golf wisdom and insight. Kevin Robbins's work is an important contribution to golf history." —Bill Pennington, author of *Billy*

Martin and On Par Millions of people were charmed by the homespun golf advice dispensed in Harvey Penick's Little Red Book, which became the best-selling sports book of all time. Yet, beyond the Texas golf courses where Penick happily toiled for the better part of eight decades, few people knew the self-made golf pro who coaxed the best out of countless greats—Tom Kite, Ben Crenshaw, Betsy Rawls, Mickey Wright—all champions who considered Penick their coach and lifelong friend. In Harvey Penick, Kevin Robbins tells the story of this legendary steward of the game. From his first job as a caddie at age eight, to his ascendance to head golf pro at the esteemed Austin Country Club, to his playing days when he competed with Bobby Jones and Walter Hagen, to his mentorship of some of golf's finest players, Penick studied every nuance of the game. Along the way, he scribbled his observations and anecdotes, tips and tricks, and genuine love of the sport in his little red notebook, which ultimately became a gift to golfers everywhere. An elegy to golf's greatest teacher and an inquiry into his simple, influential teachings, as well as a history of golf over the past century, Harvey Penick is an exquisitely written sports biography.

"Was golf better (to use one of Tiger's favorite phrases) back in the day? In [this book], Michael Bamberger, who fell for the game as a teenager in its wild Sansabelt-and-persimmon 1970s heyday, goes on a quest to try to find out. The result is a candid, nostalgic, intimate portrait of golf's greatest generation--then and now"--Dust jacket flap.

Edited by Mark Reiter and Richard Sandomir, and featuring contributions from experts on everything from breakfast cereal and movie gunfights to First Ladies and bald guys, The Final Four of Everything celebrates everything that's great, surprising, or silly in America, using the foolproof method of bracketology to determine what we love or hate—and why. As certain to make you laugh as it will start friendly arguments, The Final Four of Everything is the perfect book for know-it-alls, know-a-littles, and anyone with an opinion on celebrity mugshots, literary heroes, sports nicknames, or bacon. Bracketology is a unique way of organizing information that dates back to the rise of the knockout (or single elimination) tournament, perhaps in medieval times. Its origins are not precisely known, but there was genius in the first bracket design that hasn't changed much over the years. You, of course, may be familiar with the bracket format via the NCAA basketball tournament pairings each March. If you've ever watched ESPN or participated in a March Madness office pool, you know what a bracket looks like. The Final Four of Everything takes the idea one step further, and applies the knockout format to every category BUT basketball. In areas where taste, judgment, and

hard-earned wisdom really matter, we've set out to determine, truly, the Final Four of Everything.

The hysterical story bestseller about one man's epic Celtic sojourn in search of ancestors, nostalgia, and the world's greatest round of golf By turns hilarious and poetic, A Course Called Ireland is a magnificent tour of a vibrant land and paeon to the world's greatest game in the tradition of Bill Bryson's A Walk in the Woods. In his thirties, married, and staring down impending fatherhood, Tom Coyne was familiar with the last refuge of the adult male: the golfing trip. Intent on designing a golf trip to end all others, Coyne looked to Ireland, the place where his father has taught him to love the game years before. As he studied a map of the island and plotted his itinerary, it dawn on Coyne that Ireland was ringed with golf holes. The country began to look like one giant round of golf, so Coyne packed up his clubs and set off to play all of it-on foot. A Course Called Ireland is the story of a walking-averse golfer who treks his way around an entire country, spending sixteen weeks playing every seaside hole in Ireland. Along the way, he searches out his family's roots, discovers that a once-poor country has been transformed by an economic boom, and finds that the only thing tougher to escape than Irish sand traps are Irish pubs.

The most challenging, most invigorating holes a golfer can tackle. In this beautiful book, Peper and Campbell, two writers who know golf inside and out, provide a concise and entertaining tour of the world's best links courses. Full color.
