As OBIEE enables
the user to create

interactive

dashboards, robust reports, animated charts and also because of its cost-effectiveness, it is widely used by many companies as one of main tool for Business Intelligence solution. Advantages of OBIEE. OBIEE provides various types of visualizations

to insert in dashboards to make it more interactive.

Use fast disk for cache and/or temporary files. OBIEE writes various temporary files, including cache data and work files, to disk. By default, these

reside in $FMW_HOM E/instances/instance1 /tmp. You may find that using fast disk (e.g. SSD) or even RAM disk to hold some or all of these temporary files instead could improve performance.
