The Truth about Style - Stacy London - Download Free ebook

I recently read Stacy London's latest book, The Truth About Style, part memoir and part style makeover stories. Honestly, I just loved it. London is an engaging writer, and her personal stories are authentic and resonant. And now she's kind of my idol. The stories of the women she worked with for the book are a good cross-section of many of the issues – body-image, self-worth, significant life-changes – that we all face and also reflect different personal styles, ages, and body types.

The Truth about Style By Stacy London | Used ...

In "The Truth About Style," Stacy London of "What Not to Wear" offers fashion advice for women looking to boost their self-confidence and develop a sense of personal style.

Style expert Stacy London: Accept the body you have been given

Like the women she s transformed, London has plenty of emotional baggage. At eleven, she suffered from severe psoriasis that left her with permanent physical and mental scars. During college, she became anorexic on a misguided quest for perfection. By the time she joined the staff at Vogue, London s weight had doubled from binge eating. Although self-esteem and self-consciousness nearly sabotaged a promising career, London learned the hard way that we wear our insecurities every day.

The Truth About Style: Amazon.es: London, Stacy: Libros en ...

With her unique talent for seeing past disastrous wardrobes to the core emotional issues that caused these sartorial crises, style savant Stacy London has transformed not only the looks but also the lives of hundreds of guests who have appeared on What Not to Wear. Now for the first time in print, London turns that expert X-ray insight on herself.
