### Check transmitter faults | Help receiving TV and radio

Check the aerial connection on the Technika TV. If it is loose you will need to contact a service technician to replace it for you. This also applies to the scart connections on the back of the TV. Unplug the Technika TV from the mains. Blow off any dust or dirt on the plug prongs. Plug it back in.

---

### How to Troubleshoot a Technika TV

Press the "Info" button on your remote control, and if under the "Picture Mode" heading it reads "Shop Mode," hold down the "Menu" button on the TV itself until the screen reads "Dynamic Mode." This has changed the picture mode to one of the pre-set positions. You may now change any settings you'd like.
