**Dark Spring by Unica Z ù rn - Goodreads**  
Unica Z ù rn's Dark Spring is a haunting story about the debilitating confusion a child can experience when confronted with gender awareness, sexuality and abuse. This particular work is semi-autobiographical and eerily foreshadows the writer's own suicide by defenestration. A German Surrealist, Z ù rn was a writer, artist, and muse.

In the semi-autobiographical novella Dark Spring, for example, the protagonist endures life only through the refuge of her fantasies, where she feels safety and power as well as terror, the feeling she claims to treasure most of all. A selection of Z ù rn ' s drawings accompany the Oracles et Spectaclesetchings.

Translated and with an Introduction by Caroline Rupprecht.

Translated and with an Introduction by Caroline Rupprecht.

In 1970, Unica Zurn, the companion and lover of the Surrealist artist Hans Bellmer, threw herself from the sixth floor window of their apartment in Paris. Her suicide was the culmination of thirteen years of mental crises which are described with disarming lucidity in The Man Of Jasmine, subtitled Impressions from a Mental Illness. Zurn's mental collapse was initiated when she encountered in the real world her childhood fantasy figure "the man of jasmine": he was the writer Henri Michaux, and her meeting him plunged her into a world of hallucination in which visions of her desires, anxieties and events from her unresolved past overwhelmed her present life. Her return to "reality" was constantly interrupted by alternate visionary and depressive periods. Zurn's compelling narrative also reveals her uneasy relationship with words and language, which she attempted to resolve by the compulsive writing of anagrams. Anagrams allowed her to dissect the language of everyday, to personalise it, and to make it reveal hidden at its core astonishing messages, threats and evocations. They formed the basis of her interpretation of the split between her inner & outer lives and underpin the texts included in this selection. The Man of Jasmine is certainly one of the greatest descriptions of mental collapse, but it is much more. Zurn's familiarity with Surrealist conceptions of the psyche, and her extraordinary self-possession during the most alarming experiences are allied to vivid descriptive powers which make this a literary as well as a psychological masterpiece.

This fierce fable of childbirth by German Surrealist Unica Z ù rn was written after she had already given birth to two children and undergone the self-induced abortion of another in Berlin in the 1950s. Beginning in the relatively straightforward, if disturbing, narrative of a young woman in a tower (with a bat in her hair and ravens for company) engaged in a psychic war with the parasitic son in her belly, The Trumpets of Jerichodissolves into a beautiful nightmare of hypnotic obsession and mythical language, stitched together with anagrams and private ruminations. Arguably Z ù rn's most extreme experiment in prose, and never before translated into English, this novella dramatizes the frontiers of the body\u2014its defensive walls as well as its cavities and thresholds\u2014animating a harrowing and painfully, twistedly honest depiction of motherhood as a breakdown in the distinction between self and other, transposed into the language of darkest fairy tales. Unica Z ù rn(1916 \u201370) was born in Gr ð newald, Germany. Toward the end of World War II, she discovered the realities of the Nazi concentration camps\u2014a revelation which was to haunt and unsettle her for the rest of her life. After meeting Hans Bellmer in 1953, she followed him to Paris, where she became acquainted with the Surrealists and developed the body of drawings and writings for which she is best remembered: a series of anagram poems, hallucinatory accounts and literary enactments of the mental breakdowns from which she would suffer until her suicide in 1970.

A remarkable illustrated text produced by the author during one of her stays in a mental institution.

Surrealist Women displays the range and significance of women's contributions to surrealism. Penelope Rosemont, affiliated with the Paris Surrealist Group in the 1960s and now a Chicago poet and painter, has assembled nearly three hundred texts by ninety-six women from twenty-eight countries. She opens the book with a succinct summary of surrealism's basic aims and principles, followed by a discussion of the place of gender in the origins of the movement.The texts are organised into historical periods ranging from the 1920s to the present, with introductions describing trends in the movement for each period; and each surrealist's work is prefaced by a brief biographical statement. Authors include El Allailly, Bruna, Cunard, Carrington, Cesaire, Gauthier, Giovanna, van Hirtum, Kahlo, Levy, Mansour, Mitrani, Pailthorpe, Joyce Peters, Rahon, Svankmajerova, Taub, Zangana

New edition of this major work examining the development of neoliberalism In this established classic, sociologists Luc Boltanski and Eve Chiapello get to the heart of contemporary capitalism. Delving deep into the latest management texts informing the thinking of employers, the authors trace the contours of a new spirit of capitalism. They argue that beginning in the mid-1970s, capitalism abandoned the hierarchical Fordist work structure and developed a new network-based form of organization founded on employee initiative and autonomy in the workplace\u2014a putative freedom bought at the cost of material and psychological security. This was a spirit in tune with the libertarian and romantic currents of the period (as epitomized by dressed-down, cool capitalists such as Bill Gates and Ben and Jerry) and, as the authors argue, a more successful, pernicious, and subtle form of exploitation. In this new edition, the authors reflect on the reception of the book and the debates it has stimulated.
