Unruly
Americans And The Origins

In Unruly Americans and the Origins of the Constitution, Holton provides the startling discovery that the primary purpose of the Constitution was, simply put, to make America more attractive to investment. And the linchpin to that endeavor was taking power away from the states and ultimately away from the people.

Unruly Americans and the Origins of the
Constitution ...

Woody Holton's Unruly Americans and the Origins of the Constitution should be a work of interest for scholars of the American Constitution and all that surrounds it, as well as students of early American history who have a solid bit of background already. His argument appears to be twofold: that the delegates sent to Philadelphia to draft and revise the Constitution did so to create less of a democracy, taking direct power away from the people and thus forming a republic, but it was also ...
