Politics is relevant.

Politics is relevant and participation matters--now more than ever

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich

package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

Get students thinking critically about California politics.

The #1 selling book for Texas government courses, with a new focus on the future of Texas politics.

This refreshed and dynamic Eighth Edition of Keeping the Republic revitalizes the twin themes of power and citizenship by adding to the imperative for students to navigate

# Download Free We The People Ginsberg 8th

Competing political narratives about who should get what, and how they should get it. The exploding possibilities of the digital age make this task all the more urgent and complex. Christine Barbour and Gerald Wright, the authors of this bestseller, continue to meet students where they are in order to give them a sophisticated understanding of American politics and teach them the skills to think critically about it. The entire book has been refocused to look not just at power and citizenship but at the role that control of information and its savvy consumption play in keeping the republic.

Seymour Martin Lipset pronounced over a decade ago, "Someone who knows only one country knows no

# Download Free We The People Ginsberg 8th

country." It is well established that students learn the intricacies of American politics better when they are presented in a comparative context. In today ' s globalized society and workforce, it is all the more important for students to understand that the American political system is in many ways the exception and not the rule. Introductory textbooks on American government, however, rarely emphasize in sufficient depth how the United States compares to other political systems. And introductions to comparative politics infrequently situate the United States in their analysis. The American Anomaly systematically analyzes the U.S. political system by way of comparison with other countries, especially other industrialized democracies. It is

Organized into four sections, respectively covering the constitutional order, governmental institutions, political participation, and public policy. Extended case studies in each chapter draw on all the major regions of the world. Thoroughly revised throughout, the third edition includes: Updates throughout to reflect recent developments, including battles for control of Congress and the White House in 2010 and 2012, the challenges and successes of the Obama presidency, and political developments including the rise of the Tea Party and Occupy Wall Street. The addition of a ready-reference glossary defining key terms, along with a key terms list at the end of each chapter. Updates to examples from other countries, such as changes

# Download Free We The People Ginsberg 8th

to the European Union in light of the Eurozone crisis, the weakening of the Mexican state due to surges in drug-related crime, and the growth of China ' s global role. A substantive update to the domestic policy and foreign policy chapters. A significant update on online/web-based activism, with particular regard to the expanding role of social media. New tables and charts in each chapter. A companion website also offers overview slides, links, and other supporting features.

A combination of classic and contemporary readings, featuring a debate-format section in each chapter.
