Pray for the World includes challenges for prayer and specific on-the-ground reports of answers to prayer from Christian leaders around the world.

A Country-by-Country Prayer Guide The world is getting smaller. Cutting ourselves off from Christians around the world is not an option. In many countries, the rise of persecution fuels concern over the safety and rights of believers, while other nations that used to be closed to the Gospel are seeing unprecedented numbers of conversions to Christianity. As global ambassador of the World Evangelical Alliance, what Dr. Brian Stiller experiences on the ground in these nations is often counter to our impressions. As he listens to people's ideas and observes their innovations, he invites you to see and hear what he does. An Insider's Guide to Praying for the World includes country-specific insights calling us to a deeper understanding of the Christian church and witness. Each chapter also provides prayer challenges that come from believers in the country as well as maps and sample prayers. Nations from every continent are included. Be inspired to learn about other lands--both familiar ones, such as China and Kenya, and ones you may know very little about, like Sri Lanka and Bangladesh. But more important, take part in God's work by praying for the real needs of your brothers and sisters around the world.

Minimal additional preparation is needed for the Leader—just follow the Guide. Use the guide in class only. What could be easier? Disciple Fast Track Into the Word Into the World is an adaptation of the original, bestselling Disciple Bible Study Into the Word Into the World. The study is ideal for busy people who want to fit an in-depth Bible study into their schedule. The study retains the familiar Disciple format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer. Into the Word helps readers deepen their understanding of Scripture and make connections between what they already know and what they are reading. Each week you will encounter three spiritual disciplines, learn what they are, and how you can engage those disciplines. The first discipline varies from week to week, then moves into Sabbath and prayer. In every session, you commit to how you will respond to Scripture in terms of ministry in the world. Into the World identifies some needs in the world for which ministry is needed and suggests possible responses, then invites participants to summarize the scripture message that will shape their ministry and to decide what response and commitment to make to that message. Each week you will be guided in experiencing the gift of Sabbath rest and renewal. Classes meet for a total of 24 weeks, studying Genesis—Exodus and Luke—Acts for 12 sessions each. Daily preparation is manageable, with 3–5 chapters of the Bible to read each day. Weekly sessions last 75 minutes. Four hosts will provide 3–5 minute video insights related to the week's session. Flexible for use with small groups of 8–14, or for large groups of 15–100.

More than 300,000 copies sold! "This book will be like having the breath of God at your back. Let it lift you to new hope." —Dan B. Allender, PhD, author of Bold Love This new edition includes an expanded chapter on using the practical "prayer cards"—a hallmark of the teaching found in A Praying Life—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, A Praying Life has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). A Praying Life feels like having dinner with good friends. It is the way we experience and connect to God. In A Praying Life, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.
