The purchase and consumption of wine, whether in hospitality environments or domestic settings, has huge anthropological significance underpinned by a discourse of wine appreciation. It can be seen as a multi-sensory and symbolically status-rich activity framed by historical, social, cultural and ethical discourses. This innovative book offers a critical study of wine from social and cultural perspectives. The field of wine studies spans the spectrum of cultural and technical issues concerning the place of wine in society from viticulture, vinification, labelling, regulation, marketing, purchasing, storage and its final consumption. It combines social history and contemporary

questions including the notion of terroir, the nature of protected wine designations, the pricing of wine and the different motivations for buying and consuming wine. It considers wine as a beverage, as an aesthetic exercise and as a marker of status, as well as health implications and legal controls. The title offers a timely contribution into the significance of wine and the role of knowledge, both of which have conceptual and managerial implications in terms of marketing, promotion, consumption and distribution. By offering a holistic and innovative understanding of wine and its consumption, it is a must-read for students and scholars in the fields of wine and social science.

This book includes broad content on wines from around the world, including Old World and New World wines, as well as beer, other fermented beverages such as mead and sake, and every type of spirit available.

Master of Wine Jancis Robinson has created this wine tasting course based around practical exercises that will guide you from your first sips to confident, well-informed gulps. Announcing the completely revised and updated edition of *The Wine Bible*, the perennial bestselling wine book praised as “The most informative and entertaining book I’ve ever seen on the subject” (Danny Meyer), “A guide that has all the answers” (Bobby Flay), “Astounding” (Thomas Keller), and “A magnificent masterpiece of wine writing” (Kevin Zraly). Like a lively course from an expert teacher, *The Wine Bible* grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil’s information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author’s unique voice, always entertained: “In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman

the world. Many wine drinkers wish they knew more about it without having to understand every detail or go on a wine course. In *The 24-Hour Wine Expert*, Jancis Robinson shares her expertise with authority, wit and approachability. From the difference between red and white, to the shape of bottles and their labels, descriptions of taste, colour and smell, to pairing wine with food and the price-quality correlation, Robinson helps us make the most of this mysteriously delicious drink.

"Meticulously researched history...look[s] at how wine and Western civilization grew up together." —Dave McIntyre, *Washington Post*

Because science and technology have opened new avenues for vintners, our taste in wine has grown ever more diverse. Wine is now the subject of careful chemistry and global demand. Paul Lukacs recounts the journey of wine through history—how wine acquired its social cachet, how vintners discovered the twin importance of place and grape, and how a basic need evolved into a realm of choice.
